(Note: This exception only removes the mandatory requirement to provide a referee’s microphone – the other provisions of the rule remain as written in the NCAA Rule Book. EXCEPTION: 3-1-3 Change to read: “UIL varsity games and playoff games that end in a tie will be decided using the NCAA Tiebreaker Procedure”. “Exception – in district games in which the referee has been informed before the game that the game will be played using the UIL “positive points” tie breaking criteria, the scoring team may elect to play the try down after scoring a touchdown during an extra period. If the team on defense refuses to play the try down, the Referee may award the number of points the team could have scored had the defense played the try down without the snap of the ball being required.

30. 3-1-3-b.

b. The officials will escort the captains (Rule 3-1-1) to the center of the field for the coin toss. The referee shall toss a coin at midfield in the presence of not more than four field captains from each team and another game official, first designating the field captain of the visiting team to call the coin toss. The winner of the toss may not defer the choice and shall choose one of the following options:

1. Offense or defense, with the offense at the opponent’s 25-yard line to start the first possession series.
2. Which end of the field shall be used for both possession series of that overtime period. The officials will escort the captains (Rule 3-1-1) to the center of the field for the coin toss.

EXCEPTION: 3-1-3-b. Change the first paragraph to read: “In overtime the officials will escort the head coaches to the center of the field for the coin toss. The referee shall toss a coin at midfield in the presence of the head coach of each team and another game official, first designating the head coach of the visiting team to call the coin toss. The winner of the toss may not defer the choice and shall choose one of the following options:”

31. 3-2-1. The total playing time in a collegiate game shall be 60 minutes, divided into four periods of 15 minutes each, with one-minute intermissions between the first and second periods (first half) and between the third and fourth periods (second half) (*Exception:* A one-minute intermission between the first and second and the third and fourth periods may be extended for radio and television timeouts).

- a. No period shall end until the ball is dead and the referee declares the period ended [S14].
- b. The intermission between halves shall be 20 minutes, unless altered before the game by mutual agreement of the administrations of both schools. Immediately after the second period ends, the referee should begin the intermission by signaling to start the game clock [S2].

EXCEPTION: 3-2-1. Change to read as follows:

The total playing time in UIL Varsity games shall be 48 minutes, divided into four periods of 12 minutes each, with one-minute intermissions between the first and second periods (first half) and between the third and fourth periods (second half) (*Exception:* In games below the varsity level, periods may be shortened by mutual consent of the competing schools).

- a. No period shall end until the ball is dead and the referee declares the period ended [S14].
- b. The intermission between halves, which begins when the field is clear of all players and

coaches, shall be a maximum of 28 minutes for regular season games and 24 minutes for post-season games. The intermission between halves for post-season games may be 28 minutes if mutually agreed upon by both schools. [S2]

c. Halftime of State Championship games shall be 24 minutes. [S2]

32. 3-3-2-d-2 . *Starts on the Snap*. For each of the following, the game clock is stopped on an official's signal. If the next play begins with a snap, the game clock will start on the snap:
2. With fewer than two minutes remaining in a half a Team A ball carrier, fumble or backward pass is ruled out of bounds. (**Exception:** After a Team A forward fumble, the clock starts on the referee's signal.)

EXCEPTION: 3-3-2-d-2. Replace 3-3-2-d-2 with: "A Team A ball carrier, fumble or backward pass is ruled out of bounds. (Exception: After a Team A forward fumble, the clock starts on the referee's signal)."

33. 3-3-2-e-3. *Starts on the Referee's Signal*. For each of the following reasons, the game clock is stopped on an official's signal. If the next play begins with a snap, the game clock will start on the referee's signal:

3. Other than with fewer than two minutes remaining in a half, a Team A ball carrier, fumble or backward pass is ruled out of bounds.

EXCEPTION: 3-3-2-e-3. Delete – does not apply to UIL games.

34. 3-3-3-c. If a game is suspended under Rules 3-3-3-a and b before the end of the fourth period and cannot be resumed, there are four possible options:

1. Resume the game at a later date;
2. Terminate the game with a determined final score;
3. Forfeit of the game; or
4. Declare a no contest.

The option that takes effect shall be determined by conference policy if both institutions are members of the same conference. In non-conference competition, the directors of athletics at the participating institutions or their designees, in consultation with the coaches, must agree on one of the four options. This agreement will include the final score if the game is terminated (Rule 8-1-2). In the event that the directors of athletics do not reach an agreement, the conference policy of the home team shall be used to determine the outcome.

**DELETE the last paragraph in its entirety and replace with the following paragraph:
"The option that takes effect shall be determined by District Policy if both schools are members of the same district. In non-district competition, the directors of athletics at the participating schools or their designees, in consultation with the coaches, must agree on one of the four options. This agreement will include the final score if the game is terminated (Rule 8-1-2). In the event that the directors of athletics do not reach an agreement, UIL policy shall be used to determine the outcome if both schools are UIL member schools".**

35. 3-3-5-e & f-1,2,3,4 &5. Injury Timeout

- e. Following a timeout for an injured player of the defensive team, the play clock shall be set at 40 seconds.
- f.
 1. If the player injury is the only reason for stopping the clock (other than his or a teammate's helmet coming off, Rule 3-3-9) with less than one minute in the half, the opponent has the option of a 10-second runoff.
 2. The play clock will be set to 40 seconds for an injury to a player of the defensive team and to 25 seconds for injury to a player of the offensive team (Rule 3-2-4-c-4).
 3. If there is a 10-second runoff the game clock will start on the referee's signal. If there is no 10-second runoff the game clock will start on the snap.
 4. The 10-second runoff may be avoided by a charged team timeout if available.
 5. There is no option of a 10-second runoff if there are injuries to opposing players.

EXCEPTION: 3-3-5- f-1, 2, 3, 4 & 5. Delete the contents of paragraph “f -1,2,3,4 &5” in its entirety and replace with the following: “If the player injury is the only reason for stopping the clock (other than his or a teammate’s helmet coming off, Rule 3-3-9), the play clock will be set to 40 seconds for an injury to a player of the defensive team and to 25 seconds for injury to a player of the offensive team (Rule 3-2-4-c-4). The game clock will start on the referee’s signal.” (NOTE: 10-second runoffs do not apply to UIL games.)

36. 3-3-7-b. Length of Timeouts

b. For live televised games only, a charged team timeout shall be 30 seconds plus the 25-second play clock interval. However, the head coach may request that one of the allowed three timeouts in each half be a full timeout. This request should be communicated to the referee when the timeout request is made to the officials. The charged team timeout during an extra period may be a full timeout, at the request of the head coach.”

EXCEPTION: 3-3-7-b. Delete paragraph “b” in its entirety – does not apply to UIL games.

37. 3-3-9-b-1 & 2. When the helmet coming off is the only reason for stopping the clock, other than due to an injury to the player or his teammate (Rule 3-3-5), the following conditions apply:

1. With one minute or more remaining in either half the play clock will be set at 25 seconds if the player is on offense and at 40 seconds if the player is on defense. The game clock will start on the referee’s signal.
2. If there is less than one minute in the half the opponent has the option of a 10-second subtraction. If there is a 10-second subtraction the game clock will start on the referee’s signal. If there is no 10-second subtraction the game clock will start on the snap. The 10-second subtraction may be avoided by the use of a team timeout, if available.

EXCEPTION: 3-3-9-b-1 & 2. Delete 1 & 2 and change 3-3-9-b to read: “When the helmet coming off is the only reason for stopping the clock, other than due to an injury to the player or his teammate (Rule 3-3-5), the play clock will be set at 25 seconds if the player is on offense and at 40 seconds if the player is on defense, and the game clock will start on the referee’s signal.” (NOTE: 10-second runoffs do not apply to UIL games.)

38. 3-4-3 Unfair Clock Tactics

ARTICLE 3. The referee shall order the game clock or play clock started or stopped whenever either team conserves or consumes playing time by tactics obviously unfair. This includes starting the game clock on the snap if the foul is by the team ahead in the score. If the game clock is stopped only to administer the penalty for a foul by the team ahead in the score inside the last two minutes of a half, the game clock will start on the snap, at the option of the offended team. (*Exception:* Rule 3-4-4). The game clock will start on the ready-for-play signal after Team A throws an illegal forward or backward pass to conserve time (Rule 3-3-2-e-14) (A.R. 3-4-3-I-V).

DELETE “(Exception: Rule 3-4-4)” from the rule; (Rule 3-4-4 refers to the 10-Second Runoff which does not apply to UIL games)

39. 3-4-4. 10-Second Subtraction from Game Clock – Foul

- a. With the game clock running and less than one minute remaining in either half, if a player of either team commits a foul that causes the clock to stop, the officials may subtract 10 seconds from the game clock at the option of the offended team. The fouls that fall in this category include but are not limited to:
1. Any foul that prevents the snap (e.g., false start, encroachment, defensive offside by contact in the neutral zone, etc.);
 2. Intentional grounding to stop the clock;
 3. Incomplete illegal forward pass;
 4. Backward pass thrown out of bounds to stop the clock;
 5. Any other foul committed with the intent of stopping the clock.

The offended team may accept the yardage penalty and decline the 10-second subtraction. If the yardage

penalty is declined the 10-second subtraction is declined by rule.

b. The 10-second rule does not apply if the game clock is not running when the foul occurs or if the foul does not cause the game clock to stop (e.g., illegal formation).

c. After the penalty is administered, if there is a 10-second subtraction, the game clock starts on the referee's signal. If there is no 10-second subtraction, the game clock starts on the snap.

d. If the fouling team has a timeout remaining they may avoid the 10-second subtraction by using a timeout. In this case the game clock starts on the snap after the timeout.

EXCEPTION: 3-4-4. Delete Rule 3-4-4 in its entirety – 10 second runoff/subtraction does not apply to UIL games.

40. 6-1-1 For any free kick formation, the kicking team's restraining line shall be the yard line through the most forward point from which the ball shall be kicked, and the receiving team's restraining line shall be the yard line 10 yards beyond that point. Unless relocated by a penalty, the kicking team's restraining line on a kickoff shall be its 35-yard line, and for a free kick after a safety, its 20-yard line.

EXCEPTION: 6-1-1 Change the last sentence to read: Unless relocated by a penalty, the kicking team's restraining line on a kickoff shall be its 40-yard line, and for a free kick after a safety, its 20-yard line.

41. 8-3-2-a. The ball shall be put in play by the team that scored a six-point touchdown. If a touchdown is scored during a down in which time in the fourth period expires, the try shall not be attempted unless the point(s) would affect the outcome of the game. (*Exception: If the scoring team is ahead by one or two points, they have the option to forego the try.*)

EXCEPTION: 8-3-2-a. Varsity district games using "positive points" tie breaking criteria will use the following exception:

Coaches in the game should inform the referee before the game (pre-game conference) that the game will be played using the UIL "positive points" exception. Failure to notify the referee prior to the coin toss does not negate specific DEC rules relating to "positive points". If notification is given to the referee, the tie game will be played with the following exception to rule 8-3-2-a:

If a touchdown is scored during a down in which time in the fourth period expires, the scoring team may elect to play the try down. If the team on defense refuses to play the try down, the Referee may award the number of points the team could have scored had the defense played the try down without the snap of the ball being required.

42. 9-1-3 TARGETING AND INITIATING CONTACT WITH THE CROWN OF THE HELMET (PENALTY Statement)
and
9-1-4 TARGETING AND INITIATING CONTACT TO HEAD OR NECK AREA OF DEFENSELESS PLAYER (PENALTY Statement)

PENALTY [ARTICLE 3 and ARTICLE 4]—15 yards. For dead-ball fouls, 15 yards from the succeeding spot. Automatic first down for fouls by Team B if not in conflict with other rules. For fouls in the first half: Disqualification for the remainder of the game. For fouls in the second half: Disqualification for the remainder of the game and the first half of the next game. If the foul occurs in the second half of the last game of the season, players with remaining eligibility shall serve the suspension during the first game of the following season. The disqualification is subject to review by Instant Replay (Rule 12-3-5-f).

When the Instant Replay Official reverses the disqualification:

If the targeting foul is not in conjunction with another personal foul by the same player, the 15-yard penalty for targeting is not enforced. If the player commits another personal foul in conjunction with the targeting

foul, the 15-yard penalty for that personal foul is enforced according to rule.

For games in which Instant Replay is not used:

If a player is disqualified in the first half, at the option of the conference or by pre-game mutual agreement of the teams in inter-conference games, during the intermission between halves the referee will be provided a video of the play in question for his review in the officials' private secure location. The referee will review the video to determine whether the disqualification is reversed. The decision of the referee is final. *Note:* The video source and the location of the review will be determined prior to the game through mutual agreement of the teams and the referee.

If a player is disqualified in the second half, the conference has the option to consult the national coordinator of football officials who would then facilitate a video review. Based on the review, if the national coordinator concludes that the player should not have been disqualified, the conference may vacate the suspension. If the national coordinator supports the disqualification, the suspension for the next game would remain.

EXCEPTION: 9-1-3 and 9-1-4 - PENALTY [ARTICLE 3 and ARTICLE 4]: For UIL games, delete the entire penalty statement for ARTICLE 3 and ARTICLE 4 and replace with the following penalty statement: “PENALTY—15 yards. Local school districts and/or UIL District Committees may apply additional disciplinary action.”

“If Instant Replay is used, the disqualification is subject to review.”

“When the Instant Replay Official reverses the disqualification: If the targeting foul is not in conjunction with another personal foul by the same player, the 15-yard penalty for targeting is not enforced. If the player commits another personal foul in conjunction with the targeting foul, the 15-yard penalty for that personal foul is enforced according to rule.”
